

## Artwork I – Conspiracy Cabaret, First Act: “How it all began.....”

### Illuminati

Illuminati (plural of Latin *illuminatus*, "enlightened") refers specifically to the Bavarian Illuminati, an Enlightenment-era secret society founded on May 1st, 1776. In modern times it is also used to refer to a purported conspiratorial organization which acts as a shadowy "power behind the throne," allegedly controlling world affairs through present day governments and corporations, usually as a modern incarnation or continuation of the Bavarian Illuminati. In this context, *Illuminati* is often used in reference to a New World Order (NWO). Many conspiracy theorists believe the Illuminati are the masterminds behind events that will lead to the establishment of such a New World Order.

Theorists have claimed that many notable people were or are members of the Illuminati, including Winston Churchill, David Rockefeller and Zbigniew Brzezinski.

### The eye of Horus

The Eye of Horus is an ancient Egyptian symbol of protection and royal power from deities, in this case from Horus or Ra.

### Freemasonry

Freemasonry is a fraternal organization that arose from obscure origins in the late 16th to early 17th century. Freemasonry now exists in various forms all over the world, with a membership estimated at around 5 million (including around 480,000 in England, Scotland and Ireland alone, and just under two million in the United States). The various forms all share moral and metaphysical ideals, which include, in most cases, a constitutional declaration of belief in a Supreme Being.

### Compasses and Square

Compasses draw a circle which represents the Spiritual. The square represents the Physical. Freemasonry uses the metaphors of operative stonemasons' tools and implements, against the allegorical backdrop of the building of King Solomon's Temple, to convey what has been described by both Masons and critics as "a system of morality veiled in allegory and illustrated by symbols."

### Zodiac

The meaning of the word Zodiac actually translates as 'Animal Circle' - with a living Sun in the center. The Illuminati are greatly into sun worship. In our yearly cycle, the Sun was said to be at its weakest on what is now known as the Winter Solstice, the 21st through the 22nd of December. At this point in the Zodiac, the Solar energy is at its weakest and the Sun had symbolically died. Three days later on December 25th, the Sun (Son) was said to have been born again as he (male symbology) was to begin his annual journey again.

### Orion

Lucifer goes by many names. In Babylon he was the god Nimrod (Osiris in Egypt) husband to Semiramis (Isis), and when he was murdered he reincarnated as his own son Tammuz (Horus). The constellation of Orion is revered in the occult. Masons, magicians and Illuminati revere in particular the orange star Betelgeuse in the constellation of Orion. This bright star represents Nimrod or Lucifer.

### Pentacle / Pentagram

A pentacle (5 pointed star) is an amulet used in magical evocation on which the symbol of a spirit or energy being evoked is drawn. Some freemasons and illuminati members call it 'the absolute sign of human intelligence. The Magician's Dictionary states, "in a general sense it (the pentacle) stands for all magical symbols and talismans. Specifically, as the pentagram, or five-pointed star, it is the symbol of itself. Therefore, it is the magician's sine qua non. It is the representative of the material world and human mastery over it." The stars in the American flag are based on the same Masonic principle. Each state is an independent sovereign, master of its own destiny, in the same way that the magician is master of his own world. One will immediately notice the number of countries that use the pentagram on their flag.

The pentagram (pentacle or pentalpha) is considered by some western occultists to trace its esoteric significance to an astronomical observance of the pattern of Venus' conjunctions with the Sun.

### Burning of the Cross

Banning of Christianity by the Illuminati and replacing it with Luciferism.

## **Ark of the Covenant**

The Illuminati are planning to rebuild the Temple of Solomon on Mount Moriah and then to (re)place the Ark of the Covenant in this temple.

## **Elohim**

Elohim is a Hebrew word which expresses concepts of divinity. It is apparently related to the Hebrew word *ēl*, though morphologically it consists of the Hebrew word *Eloah* with a plural suffix. Its exact significance is often disputed. Some scholars say Elohim translates as: *those who came from the sky; the Sons of God; the Holy Ones; Messengers of God; the Shining Ones.*

## **Nephilim**

Nephilim are beings who appear in the Hebrew Bible, specifically they are mentioned in the Book of Genesis and Numbers. In ancient Aram (from which we get the Aramaic language), the constellation Orion was known as Nephila, and Orion's descendants were known as Nephilim.

Shemhazai, an angel of high rank, led a sect of angels in a descent to earth to instruct humans in righteousness but soon the angels pined for the human females. They mated with them, and produced hybrid offspring: the Nephilim.

## **Moriah**

Mount Moriah to the Illuminati signifies the place where Yahweh met with Abraham and the spot where Solomon's Temple had been built, which the Illuminati elite have plans to rebuild shortly. *Moriah Conquering Wind*, as they like to call themselves, gives them a more powerful feeling of being the gods they believe themselves to be.

## **Cabala**

The word Cabala means "to receive" and refers to revelation from God received by the Jewish people and passed to succeeding generations through oral tradition. Aspects of Cabala can be traced back to the first century A.D. Technically, Cabala is not a religion, and it never was. It originated around the 11th century as an outgrowth of earlier Jewish esoteric-occult traditions. Cabala is mainly based on two texts, the *Sepher Yetzirah* ("the book of creation") and the *Zohar* ("the book of enlightenment").

## **13 Families (Bloodlines)**

The people who control the Illuminati are members of thirteen wealthy families. Who they are has always been a well hidden secret, and the leadership has gone from man to man over generations. Nevertheless, no secret is kept forever. Not many people know who these families are exactly, but not long ago this has become known, due to people from the Illuminati who have left the Order and revealed the most remarkable information.

## **Merovingian Bloodline**

Merovech founded the Salian Frankish Merovingian dynasty. According to tradition, Merovech was born of a sea god (his mother was raped by a "bestea Neptuni Quinotauri similis;" mero is the root of "mermaid"). This beast is known as a Quinotaur, a five-horned sea bull. Merovech's son Childeric I brought the House to prominence with his defeat of the Visigoths, Saxons, and Alemanni. The Merovingian House is the principle seat of global Luciferian power on the earth. The Merovingian bloodline is the royal lineage of most European royal families and some of the world's wealthiest people. It is said that the Merovingian are direct descendants from the Annunaki (Nephilim). They are very keen on keeping their bloodline pure.

## **The Beast of Revelation**

Revelation 13:1 speaks of a terrible Beast that will rule the whole world (The One World Government = Zionism). The Beast has ten horns and ten crowns and it blasphemes God. The "ten horns are ten kings" who receive their kingdom from the beast, who receives its authority from the dragon (Lucifer). Rev. 17:12; 13:2 - The Beast is ridden by the Harlot (the One World Religion) which is synonymous with the second Beast of Revelation 13: 11-18. These are the Ten Kings of the Ten Kingdoms (the 10 unions of the world), put together by the New World Order Illuminati elitists many decades ago, a plan that has been in the works for thousands of years, even as far back as Nimrod (Lucifer), who tried to build the Tower of Babel, the FIRST attempt at a One World Government. The European Union is a fact, the North American Union (Canada, US, Mexico) is very soon to be established.

### **Adam and Eve and the Serpent**

The Serpent promised Adam and Eve that their eyes would "be opened" if they ate of the fruit of the tree of knowledge of good and evil. The key word in this passage is eyes, which in Hebrew can be translated as "knowledge." Opened can be translated as "broadened." What the Serpent promised Adam and Eve was that knowledge would be broadened if they ate of the forbidden fruit. The "eye" that Scripture wants us to consider is not the physical organ of sight, but the eye of the mind or the soul. This singular "eye" is called the "third eye" of clairvoyance in the Hindu religion, the eye of Osiris in Egypt, and the All-Seeing Eye in Freemasonry.

### **Annunaki**

The **Anunnaki** are a group of Sumerian and Akkadian deities. **Zecharia Sitchin** (born 1922) is an author of books promoting an explanation for human origins involving ancient astronauts. Sitchin attributes the creation of the ancient Sumerian culture to the "Annunaki" (or "Nephilim"), a race of aliens from a planet he calls *Nibiru*, which he believes to be in an elongated, elliptical 3600 year orbit in the Earth's own Solar System.

### **Quotes:**

*"Give me control over a nation's money and I care not who makes its laws."* –Mayer Amschel Rothschild

**The Rothschild family** (often referred to simply as the Rothschilds), is an international banking and finance dynasty of German Jewish origin that established operations across Europe, and was ennobled by the Austrian and British governments. The family's rise to international prominence began with Mayer Amschel Rothschild (1744–1812), the son of Amschel Moses Rothschild (original surname: Bauer), a moneychanger, born in the ghetto (called "Judengasse" or Jew Alley) of Frankfurt am Main.

*"Oh mortal man, is there anything you cannot be made to believe?"* - Adam Weishaupt

**Adam Weishaupt** was a professor of Canon Law at Ingolstadt, and he also was an ex-Jesuit priest. Posing at first as a religious reformer and a liberal in politics, he attracted many to his political movement, which was also known as Republicanism. He adopted the Jesuits' system of espionage, introduced Witchcraft to his followers, and developed a fraternity within his political movement that was akin to Freemasonry. After he formed his organization, with financial backing from the House of Rothschild, he adopted the name Illuminati.

*"The rebuilding of Solomon's Temple is at the center of our studies"* – Giuliano di Bernardo

**Prof. Giuliano di Bernardo** is the founder of the Academy of the illuminati in Piazza di Spagna 20 and Past Grand master of the Regular Grand Lodge of Italian freemasonry. He was the former head of the Grand Orient Lodge of Italy. The G.O.I. contained the infamous P-2 Lodge, which was connected with terrorism and fraud involving the Vatican and the mafia.

*"He that overcometh shall inherit all things; and I will be his God and he shall be my son."* – Revelation 21:7

**The Book of Revelation**, also called Revelation to John, Apocalypse of John, and Revelation of Jesus Christ is the last canonical book of the New Testament in the Christian Bible. It is the only biblical book that is wholly composed of apocalyptic literature.

## ARTWORK II – Conspiray Cabaret, Second Act: “Mind Control”

Quote:

### ***Silent weapons for silent wars....***

Silent weapon technology has evolved from Operations Research (O.R.), a strategic and tactical methodology developed under the Military Management in England during World War II. The original purpose of Operations Research was to study the strategic and tactical problems of air and land defense with the objective of effective use of limited military resources against foreign enemies (i.e., logistics). It was soon recognized by those in positions of power that the same methods might be useful for totally controlling a society but with better tools: biological warfare and mind control.

### **Eye with hand in the CBS logo**

CBS = Columbia broadcasting service. The first broadcasting company in the US. The logo represents an eye (the All-Seeing eye..)

### **Spider web with NWO Spider**

Humankind is trapped in the web that the Illuminati have been weaving around us for thousands of years, part of their plan to establish the NWO.

### **Nintendo**

Nintendo Company Ltd. is a global company located in Kyoto, Japan founded in 1889 to produce handmade hanafuda cards. Eventually, Nintendo developed into a video game company, becoming one of the most influential in the industry and Japan's third most valuable listed company, with a market value of over US\$85 billion. In 2007, Nintendo ranked eighth on the list of largest software companies in the world. Critics say: *"Nintendo is contributing to the epidemic of obesity, especially amongst young children. As kids spend more time in front of television, computer and video screens, their physical activity levels have decreased. And their body weights have increased. Young and old are putting away their gym clothes and shying away from going outdoors to play sports, because of the addictive appeal to the Wii game products. Just as the tobacco companies created such a false image of their products and hid the potential dangers, so is Nintendo."* Nintendo is just another means to dumb down the people and keep them docile.

### **Drugs / Anti-dpressants**

An antidepressant is a psychiatric medication used for alleviating mood disorders, such as major depression. These medications are among those most commonly prescribed by psychiatrists and other physicians. In many cases anti-depressant drugs manufacturers have withheld information from the FDA and the public to play down the risks and adverse effects associated with these drugs. This had led to litigation against many of the pharmaceutical manufacturers of anti-depressants in cases covering suicidality.

Harvard Joseph Glenmullen, Harvard psychiatrist says: "The bottom line is that we don't know what these drugs are doing in real live human beings".

Henry Waxman, congressman states: "The pharmaceutical industry has systematically misled the public about the side effects of anti-depressants. And it MUST stop!"

## **The Pope**

In the 1980's the Vatican Bank scandal brought to light the connections between Freemasons/Illuminati, The Vatican and the mafia. Secret initiations are said to take place in the catacombs of the Vatican.

## **Mind control - sheep**

The vast majority of the world's population is merely sheep happily following the herd. And just like sheep who follow blindly and without question the direction of the herd, we are led through the gates of a pen to be confined at the shepherds (illuminati) convenience until it is time for the final journey, once again without hesitation and happy in the knowledge that we are with the 'in-crowd', through the gates of the slaughterhouse...

A major component to fully understand the kind of governmental and corporate corruption is to discover the modern science of mind control and social engineering. Although there are a growing number of people waking up to the reality of our growing transparent soft cage, there seems to be just enough people who are choosing to remain asleep. Worse yet, there are even those who were at least partially awake at one time but found it necessary to return to the slumber of dreamland.

## **Baby with TV eyes / Child sitting in front of TV**

One of the most common examples of mind control in our so-called free and civilized society is the advent and usage of the television set. This isn't to say that all things on TV are geared towards brainwashing you. They're not. But most of the programming on television today is run and programmed by the largest media corporations that have interests in defense contracts. The drive to dumb down the population of planet earth is a classic art that has existed for hundreds, if not thousands of years. This is no accident; this is a carefully crafted design. One component to understanding and deciphering the systems of control is to become a student of the magicians of influence and propaganda. In order to defeat our enemies (or dictators), it's imperative that we understand how they think and what they believe in. By repeating the same message over and over again people start to believe it's true.

## **FEAR**

The Illuminati employ a slate of techniques to establish the NWO, but behind each of these methods is one basic practice: to instill fear in the masses so that we will rely on the government for safety and protection, and thus yield our rights and freedoms in the process.

## **UFO – I want to believe**

The programs and documentaries on UFO and Alien life forms are to prepare humankind for the very existence of these phenomena when the time is right (Star Trek, Star Wars, E.T., X-Files, 4400, etc. etc.) Notice the emblem on the Star Trek uniforms: Spock wears the emblem with the All-Seeing Eye and Kirk wears the emblem with Five Pointed Star.

It is also said that we are being prepared to witness and possibly be involved in the apocalyptic war in 2012, when the Elohim will return to Mount Hermon in Lebanon/Syria (former Phoenicia) to take away the Nephilim (i.e. their offspring) because they were only given a certain length of time on earth, and their time ends in 2012.

## **FREEDOM**

From Freedom to Facism – please watch Aaron Russo's film/documentary on the subject. You can find it at [www.freedomtofacism.com](http://www.freedomtofacism.com). It will be worth your while.

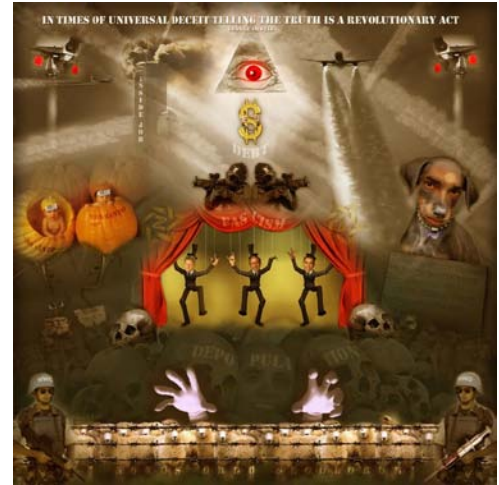

## Artwork III – Conspiracy Cabaret, Third Act: “Showdown”

### All-seeing eye

The All-Seeing Eye is one of the oldest hieroglyphics of the Deity. The triangle also is a cabalistic symbol of the most remote antiquity. To the Egyptian initiates it was the emblem of Osiris, the Creator. It is also a Masonic representation of The Great Architect of the Universe.

### CCTV cameras

“*Big Brother is watching you...*”. 1984 is a classic dystopian novel by English author George Orwell. Published in 1949, the novel has become famous for its portrayal of pervasive government surveillance and control, and government's increasing encroachment on the rights of the individual. Since its publication, many of its terms and concepts, such as "Big Brother," "doublethink" and "Newspeak" have entered the popular vernacular. The word "Orwellian" itself has come to refer to anything reminiscent of the book's fictional regime.

### Chemtrails

Some contrails produced by airplanes are actually chemicals or biological agents deliberately sprayed at high altitudes for a purpose undisclosed to the general public. Theories are that the activity is directed by government officials. As a result, federal agencies have received thousands of complaints from people who have demanded an explanation. The existence of chemtrails has been repeatedly denied by government agencies and scientists around the world.

Unlike normal condensation trails, these trails do not dissipate after ten minutes or so. Instead, they expand outwards, remaining as huge cloud like projections, often the length of the sky, floating there for hours after their release. Some observers of this issue claim that these chemtrails can consist of laboratory created RNA, aluminum oxide, ethylene dibromide, barium, and other chemicals. Some chemtrails include polymer fibers. If so, they hold a plethora of risk for the humans below, including neurological disturbances, heart problems, breathing problems, etc.

Critics claim that this chemical porridge allows our DNA to be infiltrated and re-arranged, without our consent. So the activity could be acting like a vaccination program without the consent of the population upon whom it is inflicted. Some known side effects of these chemical trails are increased cases of nosebleeds, asthma, allergies, pneumonia, and upper respiratory complaints with flu-like symptoms.

### Twin Towers – Inside Job

There is a convincing case that the three world Trade Center high rise buildings were destroyed by classic and novel forms of *controlled demolition*. For more information: [www.ae911truth.org](http://www.ae911truth.org)

### H.A.A.R.P.

High Frequency Active Aural Research Project. The HAARP Program is a US Air Force, Navy and University of Alaska funded investigation to "understand, simulate and control ionospheric processes that might alter the performance of communication and surveillance systems" as well as weather systems and those which actually can modify human behavior. HAARP itself is located halfway between Anchorage and Fairbanks Alaska. Its first phase was completed in 1995, and it employed a 3 by 6 grid of 18 antennas. There are three towers designed to transmit extremely low frequency (ELF) waves. When these towers signal such beams on up through the atmosphere, into the ionosphere, they affect the electrojet (the high altitude jetstream with ultra-high speed winds, that have to do with the weather patterns on earth below) in a controlled manner. The main strategy consists of beaming these ELF waves in such a way as to hit at right angles to the electrojet. This causes the river of electro-magnetic energy to spread sideways. Besides these activities, some observers believe that HAARP is behind the mysterious (and officially denied) "chemtrails." HAARP is considered by many to be a weapon of mass destruction.

## **Bilderberg**

The Bilderberg Group, Bilderberg conference, or Bilderberg Club is an unofficial annual invitation-only conference of around 130 guests, most of whom are persons of influence in the fields of politics, business, and banking. The elite group meets annually at luxury hotels or resorts throughout the world — normally in Europe, and once every four years in the United States or Canada. Their first meeting occurred in Hotel Bilderberg in the Dutch Oosterbeek between the 29-31 of May 1954, thus the name of the group. It has an office in Leiden in the Netherlands. The 2008 conference took place in Chantilly, Virginia and the 2009 meeting will take place from May 14-16 in Athens, Greece.

The Bilderberg Group, which also works as a secret society in itself, is one of the most powerful front groups of the Illuminati. This group which was created in the beginning of the 50's by Prince Bernhard of the Netherlands (former SS-officer) and the Polish socialist Joseph Retinger, one of the founders of the European movement. These two persons decided meetings on a regular basis for the European foreign-ministers. The Bilderberg Group is also called the "invisible world government". Because of the character of the meetings it is clearly bribery on the behalf of the politicians who are taking part. Here they are suggested to betray their own countries by selling out their sovereign states to the EU by deceiving their own people ... This is what many of our elected politicians secretly are doing behind our backs - it is High Treason.

## **Dollar sign – Debt**

Money is the worst spell cast upon humanity. It has blinded us to the truth and has corrupted our feelings for one another. By creating debt the Government develops increasingly more power over the people, thus creating dependency and eventually enslavement.

## **Military Police – Facism**

The Illuminati are planning to create a One World Government police force and a One World unified military to enforce laws in all former countries where no national boundaries shall exist. From Freedom to Facism...

## **Six pointed star (Hexagram) with Z**

Usage of Hexagram in Freemasonry: "The interlacing triangles or deltas symbolize the union of the two principles or forces, the active and passive, male and female, pervading the universe... The two triangles, one white and the other black, interlacing, typify the mingling of apparent opposites in nature, darkness and light, error and truth, ignorance and wisdom, evil and good, throughout human life."

The hexagram is featured within and on the outside of many Masonic temples as a decoration. The hexagram, one of the world's most ancient symbols, may have been found within the structures of King Solomon's temple, from which Freemasons are inspired in their philosophies and studies.

## **Z = Zionism \*)**

One of the basic aims of Zionism is *aliyah*, the immigration to the Zionist state of Jews from all countries. The geographic location chosen for this immigration is Israel. Nevertheless, during the past few years hundreds of thousands of Israelis have out-gathered themselves from the Zionist paradise, and American Jews have "voted with their feet" and have chosen not to be in-gathered. These Jews recognize that the Zionist state is in fact contrary to their individual freedoms.

\*) It must be stated explicitly that not all Jews are Zionists, and not all Zionists are Jews. There is a clear distinction. One of the basic aims of Zionism is *aliyah*, the immigration to the Zionist state of Jews from all countries. The geographic location chosen for this immigration is Israel. Nevertheless, during the past few years hundreds of thousands of Israelis have out-gathered themselves from the Zionist paradise, and American Jews have "voted with their feet" and have chosen not to be in-gathered. These Jews recognize that the Zionist state is in fact contrary to their individual freedoms.

## **Monsanto Pumpkins**

Slogan used by Monsanto: *"No food shall be grown that we don't own."* The Monsanto Company is an American-based multinational agricultural biotechnology corporation. It is by far the leading producer of genetically modified (GMO) seed, holding 70%–100% market share for various crops.

Crucial to its strategy, GMO giants needed a "new technology which would allow them to sell seed that would not reproduce." They developed one called GURTs (Genetic Use Restriction Technologies) that became known as "Terminator" seeds. The process is patented, it applies to all plant and seed species, and replanting them doesn't work. They won't grow. It's the industry's solution to controlling world food production and assuring themselves big profits as a result. Terminator corn, soybean and other seeds have been "genetically modified to 'commit suicide' after one harvest season" by a toxin-producing inbuilt gene.

This technology gives Monsanto unprecedented powers and gives small independent farmers no chance of surviving. Thus Monsanto dictates terms to world farmers for their seed. It's a biological warfare tool almost "too good to believe".

### **Domesticated Human with RFID tag and GPS system**

Radio-frequency identification (RFID) is the use of an object (typically referred to as an RFID tag) applied to or incorporated into a product, animal, or person for the purpose of identification and tracking using radio waves. It is used in passports, birth certificates, money notes, visa cards and many other official documents. Implantable RFID chips designed for animal tagging are now being used in humans.

It's called the VeriChip. Only 11 mm long, it is designed to go under the skin, where it can be read from four feet away. They sell it as a great way to keep track of children, Alzheimer's patients in danger of wandering, and anyone else with a medical disability.

### **Georgia Guidestones**

The Georgia Guidestones are a huge granite artifact in Elbert County, Georgia, USA. A message comprising ten guides is inscribed on the structure in eight modern languages, and a shorter message is inscribed at the top of the structure in four ancient scripts: Babylonian, Classical Greek, Sanskrit, and Egyptian hieroglyphs. A message consisting of a set of ten guidelines or principles is engraved on the Georgia Guidestones in eight different languages, these languages are: English, Spanish, Swahili, Hindi, Hebrew, Arabic, ancient Chinese, and Russian. The message in English starts with:

MAINTAIN HUMANITY UNDER 500,000,000  
IN PERPETUAL BALANCE WITH NATURE  
GUIDE REPRODUCTION WISELY —  
IMPROVING FITNESS AND DIVERSITY  
UNITE HUMANITY WITH A LIVING  
NEW LANGUAGE

### **Presidential Puppets**

The President of the US is merely a puppet to the Illuminati (puppet-masters) in achieving their goal: a New World Order. The Illuminati are the REAL Decision Makers, who make up the rules for presidents and governments to follow, and they are often held from public scrutiny, as their actions can't stand being scrutinized. It is no secret that the presidential candidate who gets the most sponsorship in form of money and positive Media coverage wins the election, as this gives the power to "un-create" the opposed candidate and effectively promote the candidate who will follow the plans of the Illuminati. More often than not, it is the candidate with the 'purest bloodline' and who is the most corrupt that will be chosen for the job. The Illuminati put in top positions people who they know have a dark past, so they can be easily controlled. If these appointed people, who are promised fame and fortune if they follow the rules, are breaking the same rules, the Puppet Masters can easily get them back in line by threatening to put their dirty laundry out to dry in public. If that doesn't help, the person will end up like John F. Kennedy and others.

### **Illuminati Hand signs**

Also called Il Cornuto and Diabolicus, the employment by the elite of the hand sign of the horned devil (Lucifer) can actually be tracked all the way back to Babylon. On the great wall of Babylon, adjacent to Ishtar's Gate, was a mosaic image of a horned bull, representing the sun god. The horns were symbolic of the Babylonian god's power over the hearts of men. The inauguration of President George W. Bush was not the first which had featured the giving of the *El Diablo* sign. President Bill Clinton also did it at his first inaugural, and, in Codex Magica, you'll see an example of the *El Diablo* sign of Lucifer given at the inauguration of George Washington.

### **Wall•E**

Wall•E is a 2008 computer-animated science fiction film. It follows the story of a robot named Wall•E who is designed to clean up a waste-covered Earth far in the future. He eventually falls in love with another robot named EVE, and follows her into outer space on an adventure that changes the destiny of both his kind and humanity.

### **Bill of Rights**

A bill of rights is a list or summary of rights that are considered important and essential by a nation. The purpose of these bills is to protect those rights against infringement by the government. The Constitution of the United States of America and the Declaration of Independence are as essential today as they were when they were written by the Founding Fathers. However, with the renewal of the USA PATRIOT Act (March of 2006) there have been many impositions upon the citizens inalienable rights. The Freedom of Speech has been highly jeopardized by the fact that anyone can now be labeled as domestic terrorists if they protest or speak out against the current administration. The protection against rights to unreasonable search and

seizure have been threatened by programs like ECHELON, which allow the government to listen in on all telephone conversations, read all e-mails and faxes and record them. This is done by computer and the messages can be kept indefinitely. It is legal (since the USA PATRIOT Act) for law enforcement officers to enter your home, without your knowledge or consent, to conduct sneak and peak searches. Suspects can now be held indefinitely, without access to phone calls or attorneys.

### **Skulls – Depopulation**

All the chaos, genocide, ethnic cleansing, wars, and the overall disasters that is happening in our world today has a genuine purpose. It is all very carefully planned by a few people behind the scenes, high up in the society, above any power structure that the ordinary citizen is aware of. To those people, power, control and wealth is their true religion and they use any means they can to maintain their power and control, including murder and genocide.

These people on top, who basically are of Royal Bloodlines, is currently working on reducing the world population in order to easier maintain their control, and ultimately the strive towards a centralization of power, which will include the whole world.

### **NWO army**

The Illuminati are planning to create a One World Government police force and a One World unified military to enforce laws in all former countries where no national boundaries shall exist.

### **Seringe**

Hundreds of millions of people worldwide have been exposed to cancer-causing viruses through the far-reaching polio vaccination program of the 1950s and early-1960s. The World Health Organization started to inject AIDS-laced smallpox vaccine into over 100 million Africans (population reduction) in 1977. And over 2000 young white male homosexuals (Trojan horse) in 1978 with the hepatitis B vaccine through the Centers For Disease Control/New York Blood Center." By inventing viruses and creating panic amongst people (bird flu, ebola, mad cow disease, swine flu) the threat of a pandemic will cause people to ASK for a solution, which will be legalized and mandatory mass vaccination. It is another means for depopulation of the planet.

### **Detention camps – sheep**

This is a very old plan; something the same bloodlines have been working towards for millennia. However, now is the time when they have the means to accomplish their goal and fulfill the "Work of the Ages". They see us citizens as inferior and are dehumanizing us in their own minds to the extent that they don't care if we live or if we die. In a future Global Society, if they manage to accomplish this to its full extent, you and I will be no more than slaves, whom they can kill and treat as they want anytime they want.

This last January the Army Corps of Engineers gave Halliburton subsidiary Kellogg Brown & Root nearly \$400 million to build detention centers in the United States, for the purpose of unspecified "new programs."

### **The Obama Deception**

The Obama Deception is a hard-hitting film that completely destroys the myth that Barack Obama is working for the best interests of the American people. The Obama phenomenon is a hoax carefully crafted by the captains of the New World Order. He is being pushed as savior in an attempt to con the American people into accepting global slavery. We have reached a critical juncture in the New World Order's plans. and only by exposing the con can we help to save freedom in America. The Obama Deception is not about Left or Right: it's about a One World Government. The international banks plan to loot the people of the United States and turn them into slaves on a Global Plantation. Covered in this film: who Obama works for, what lies he has told, and his real agenda, and how his initial appointments and actions prove he serves the corporate oligarchs, not the American people. If you want to know the facts and cut through all the hype, this is the film for you (go to [www.conciousmedianetwork.com](http://www.conciousmedianetwork.com)).

### **Quote**

*In times of universal deceit telling the truth is a revolutionary act – George Orwell*
