

- Conspiracy Cabaret - New World Order

The term New World Order (NWO) has been used by numerous politicians through the ages, and is a generic term used to refer to a worldwide conspiracy being orchestrated by an extremely powerful and influential group of genetically-related individuals (at least at the highest echelons) which include many of the world's wealthiest people, top political leaders, and corporate elite, as well as members of the so-called Black Nobility of Europe (dominated by the British Crown) whose goal is to create a One World (fascist) Government, stripped of nationalistic and regional boundaries, that is obedient to their agenda.

Purpose

Their intention is to effect complete and total control over every human being on the planet and to dramatically reduce the world's population from 6 billion to 500 million.

A One World Government and one-unit monetary system, under permanent non-elected hereditary oligarchists who self-select from among their numbers in the form of a feudal system as it was in the Middle Ages. In this One World entity, population will be limited by restrictions on the number of children per family, diseases (bird flu, swine flu, mad cow disease, SARS, AIDS), wars, famines, until 1 billion people who are useful to the ruling class, in areas which will be strictly and clearly defined, remain as the total world population.

There will be no middle class, only rulers and the servants. All laws will be uniform under a legal system of world courts practicing the same unified code of laws, backed up by a One World Government police force and a One World unified military to enforce laws in all former countries where no national boundaries shall exist. The system will be on the basis of a welfare state; those who are obedient and subservient to the One World Government will be rewarded with the means to live; those who are rebellious will simply be starved to death or be declared outlaws, thus a target for anyone who wishes to kill them. Privately owned firearms or weapons of any kind will be prohibited

Modus Operandi

The NWO global conspirators manifest their agenda through the skilful manipulation of human emotions, especially fear. In the past centuries, they have repeatedly utilized a contrivance that NWO researcher and author David Icke has characterized in his latest book, The Biggest Secret, as Problem, Reaction, and Solution. Mind Control is the ultimate means. The government and their counterparts are most adept in brainwashing techniques using a litany of resources, such as drugs (MKUltra, LSD), projects (Project Monarch, Phoenix), propaganda (constant bombardment of untruths and omissions by the media), cults/programming (groups giving up their individuality and blindly following some unstable leader), and video games, rock music, violence and sex on TV.

Why the Conspiracy is unknown

Most people react with disbelief and skepticism towards the topic, unaware that they have been conditioned (brainwashed) to react with skepticism by institutional and media influences. Most people have built in "slides" that short circuit the mind's critical examination process when it comes to certain sensitive topics. "Slides" is a CIA term for a conditioned type of response which dead ends a person's thinking and terminates debate or examination of the topic at hand. For example, the mention of the word "conspiracy" often solicits a slide response with many people. What most people believe to be "Public Opinion" is in reality carefully crafted and scripted propaganda designed to elicit a desired behavioral response from the public.
